

## Job description

Tamarack Industries, leader in mobile glycol heating systems, is looking for enthusiastic individuals to join our electrical assembly team. The successful candidate will have an electrical aptitude and enjoy working in a dynamic environment. A working knowledge of pumps & plumbing, oil fired burners and forklift operators are considered an asset.

In this role, you will ensure that the products are wired to meet the high standard of quality that we offer to our customers.

### **REQUIREMENTS/DESIRED EXPERIENCE:**

- Must have minimum 2 years experience as an electrical assembler.
- Experience building industrial control panels.
- Marking and drilling of material from drawings.
- Experience working with hand tools, for example wire strippers, crimpers, drills, electric impacts.
- Knowledge of relays, PLC's, control systems.
- Ability to read electrical schematics.
- Installation and wiring of electrical components.
- Troubleshooting using multi-meter.
- Experience with soldering.
- This position requires the ability to stand for long periods of time.
- Identify safety hazards. Communicate to the team lead when a hazard is spotted. Ensures the safety of both themselves and all people throughout Tamarack.
- Familiar with hazards specific to working with electrical equipment when wiring and testing final products.

### **QUALIFICATIONS**

- High School Diploma or GED
- Proficiency with basic hand tools
- Experience in a manufacturing environment
- Background in electrical work
- Experience reading and following assembly drawings
- Ability to read and interpret wiring diagrams and schematics.
- Proficient in use of hand tools.
- Basic literacy and numeracy skills
- Basic Computer skills

### **WHAT WE OFFER:**

Steady full-time employment, positive workspace, a healthy work/life balance and competitive starting wage.
